

# DJ EVENT PROTOCOLS

## **Equipment:**

RTH will provide:

- SX2 rigs with 2 microphones or an additional HH Mic that may be hooked into the system.
- A straight stand for the "Guest Use" microphone to minimize microphone hand offs.
- Headphone ear covers (use of the DJs personal headphones is strongly encouraged).
- Alcohol swabs for before and after each event (and new person touching) used for rig and microphone wipe down.

## **Requests:**

Emcees will write a phone number on the provided "Text Your Request" table tent. They may use their phone number or download a virtual texting app such as "Text Me".
